

SEA- OFFSHOREGOING PERSONNEL

YOUR JOB DESCRIPTION

We are expanding our present fleet, with specialised services in the field of harbour towage, coastal towage, offshore assistance and environmental protection. We are currently looking for seagoing crewmembers for our recruitment database to fill in future vacancies.

YOUR PROFILE

- In possession of a STCW 95 certificate (min. Officer in charge of a navigational watch – A-II/1). Offshore and/or Dynamic Positioning experience is an advantage.
- In possession of a STCW '95 certificate (min. Officer in charge of an engineering watch – A-III/1).

WE OFFER

- A dynamic company in which you will be trusted with real responsibilities.
- A remuneration package with an attractive pay and extralegal benefits such as hospitalization insurance and group insurance
- The possibility for specialisation and promotion through further education and training
- A labour system with a very favourable working hours / leisure regime (1 on 1 off system).

INTERESTED

Please send your resume, copy of your STCW'95 with a covering letter to URS nv, attn. Mr. Steve Ruysers, Fleet Personnel Manager, Italiëlei 3 box 2 – 2000 Antwerpen or by email to: s.ruysers@urs.be – additional information can be received at the number 03/545.11.20.
